

Dear Youth Leader,

Hi, my name is Thomas Gray and I am the Mission Adventures Director at YWAM (Youth With A Mission) Idaho. We have set the Mission Adventures schedule for 2011 and are really excited about the opportunities we are offering for next summer. Mission Adventures (MA) is a short term mission program that includes both training and outreach.

Mission Adventures is Full Service Missions, we take care all of the “dirty work”. All you have to do is pick a date, pick a location and bring your youth group; we take care of all the details.

We have state side programs which includes 4 days of training in Idaho and six days of outreach of your choice. We also provide twenty-day over seas programs with outreach to India where you get the same 4 days of training with fourteen days of outreach. I've attached the registration manual for next summer. Please prayerfully consider one of our full-service mission trips.

Let me know if you have any questions comments or concerns or if we can assist you in any way.
“When it comes to missions there is no dumb question”

Be the Light!

What is Mission Adventures (MA)?

Mission Adventures is a full-service outreach program for youth groups. It's a camp experience meets mission trip in the course of 10 days state side, 20 days for overseas. This means you'll receive both training and outreach on your trip. You and your group will come to our beautiful mountain facilities for four days of evangelism and heart preparation. Following this phase, you'll depart to your desired outreach location. This document has all the information you'll need to register your group. Please contact us with any questions that you may have.

Salt Lake City, Utah

Your team will work along side local churches and ministries with a heart to reach the Mormon community. Students will progress from being visitors on temple square to being capable of sharing their faith with Mormons. You will be engaged in a variety of ministries from working with the homeless, to prayer walks and service projects. There will also be opportunities for cross-cultural ministry (81 languages are spoken throughout Salt Lake City) and evangelism within the Mormon community.

Native American Indians

Take part in sports ministry (basketball, football...), drama, dance, personal testimonies, and construction projects in order to share the love of Jesus with Native Americans. Equipping young people through discipleship, Bible studies, and discussion is imperative since many Native young people have knowledge of Christ but do not follow Him. Your youth will grow and be challenged as they teach someone how to walk with Jesus on a daily basis.

Alaska

Welcome to the wild frontier. You and your youth group will have the opportunity to minister to Alaskan Natives. Through friendship evangelism, service projects and children's programs, you will be showing the love of Christ to those who need to hear it. Join us this summer to help change Alaska.

Boise, Idaho

One of the nations fastest growing cities and one of the most desired places to live yet many are desperate to know the love of Christ. You will partner with local churches to reach out to the community by sharing your faith with people down town, working with rescue missions doing service projects and reaching out to the many internationals in the city (many refugees). Come, be a part of reaching this city for Christ.

India (open to teams and/or individuals)

Ministry opportunities range from service to evangelism. These may include ministering to handicapped adults in a Mother Teresa Home, sharing the Gospel and talking about American culture in local schools, encouraging local Christians, as well as partnering with missionaries and the local church to further their influence in the local community. India is a land that ignites the senses, from the beautiful women in saris, to the smells of a city, to the noise on the street, you will experience a world very different from your own. Despite a cultural and language barrier, you will see God use you to bring truth and hope to a nation oppressed by Hinduism.

Training and Outreach Facts

Training

Our 10-day and 20-day summer trips begin with four days of training at our base at are camp facially at Warm Lake near Cascade, Idaho. This time will be a camp-like adventure, but like no camp your youth have ever experienced before. Team building, deepening their relationship with God and world missions will be the focus of these days. We will also equip you and your team by providing cultural orientation and evangelistic tools to effectively minister on your outreach.

Stateside Outreach (10-day program)

Teams will be partnering with Youth With A Mission ministries in various cities by participating in prayer walks, helping in soup kitchens, and working with inner-city children and teens. They will be ministering in different ethnic and religious areas, bringing the Gospel to a lost and dying city.

Over Seas (20-day program)

Teams will be serving along side of missionaries and existing local churches that are already proclaiming Christ through mercy ministries & evangelism. Music, testimonies, Biblical messages, and other evangelistic tools will be used to present the Gospel in various settings.
